***LCP** = Literacy Completion Point. When a student enrolled in an adult education program at a college or school district completes an educational functioning level or completes a one-level course, this is reported to the FDOE as a Literacy Completion Point. Eligible LCPs are used in the allocation formulas for state Workforce Education performance-based incentive funds.

****NRS** = National Reporting System. Data from courses supported with federal and state funds is reported to the FDOE and the USDOE each year. Data from courses supported solely with state funds is reported to the FDOE, but not to the USDOE.
