

ESL Institute follow-up survey

Welcome 2010 Adult ESL Institute participant! This survey will provide us with information about how you have used what you learned at the ESL Institute, and will help us to evaluate the effectiveness of the ESL Institute workshops. You'll need to answer 3 questions so this should only take a few minutes.

Before you begin, you may want to pull out the pink Action Plan worksheet from ESL Institute to refresh your memory.

Thanks for taking the time to answer the survey, and for the many things you do for MN ABE!

Begin here if you've already used an idea from Adult ESL Institute. If you have not yet implemented an idea from Adult ESL Institute, begin with Question #3.

1. Briefly share one idea learned at Adult ESL Institute that you have implemented into your teaching. How successful was the implementation of the new idea in your lesson? How was student learning impacted? [open response]
2. Select which workshop this idea came from: [all sessions listed - select one]

Please continue with Question #5.

3. If you haven't implemented anything from Adult ESL Institute, list one idea learned at a workshop that you would like to try and briefly describe why you believe this will be valuable for your students. [open response]
4. Select which workshop this idea came from: [all sessions listed - select one]
5. Please share any final reflections on the institute, including ideas for next year. [open response]

Thank you!
