

Montana Adult ESL Conference
April 30 – May 1, 2009
Participant Survey

As a follow-up to the adult ESL teacher and program director survey we conducted last summer, the conference team would like to get a little more information about you so that we can better design the presentations to meet your needs. This year's presentations will include understanding adult English language learner needs and characteristics, principles of second language learning, multiple intelligences and technology, and multilevel instruction. Please send your responses to Carol Flynn at cflynn@mt.gov by April 15. We look forward to hearing your feedback and seeing you at the conference!
